Eildon

In-frame Shaker – Price Guide 2023

(£££££)

Eildon is an in-frame beaded ash door, which is wire brushed before spraying to emphasise the grain. Eildon's intricate design is complimented by its raised and fielded centre panel and beading around the outer frame.

Eildon In-frame Shaker is available bespoke paint-to-order only.

Available in 24 bespoke paint finishes and RAL matched colours.
